Important Terms & Conditions:

- Switching from one fund to another is available unlimited times during each policy year and is free of charge
- Premium Redirection will only be available to redirect future premiums

Vesting / Maturity Benefit

On Survival of Life Insured till the end of the policy term, if all premiums are paid up to date and the policy is in force, Fund Value as on the date of Vesting (inclusive Yearly Additions if any) shall be payable.

Policyholder has to utilize the Vesting Benefit in the following manner :

- I. To utilize the entire proceeds (100%) to purchase immediate annuity or deferred annuity from the same insurer at the then prevailing annuity rate. However, an option to purchase immediate annuity or deferred annuity from any other insurer at the then prevailing annuity rate to the extent of percentage will be given, stipulated by Authority (IRDAI), currently 50% of the entire proceeds of the policy net of commutation. OR

- ii. To commute up to 60% and utilize the balance amount to purchase immediate annuity or deferred annuity from the same insurer at the then prevailing annuity rate. However, an option to purchase immediate annuity or deferred annuity from any other insurer at the then prevailing annuity rate to the extent of percentage will be given, stipulated by Authority (IRDAI), currently 50% of the entire proceeds of the policy net of commutation.

For (i) and (ii) above, the purchase of annuity shall be subject to terms and conditions under the product. In case the proceeds of the policy on vesting is not sufficient to purchase minimum annuity as specified in clause 5 of Schedule I of IRDAI (Insurance Products) Regulations, 2024, such proceeds of the policy may be paid to the policyholder or beneficiary as lump sum.

Death Benefit

In the event of death of Life Insured, where all due premiums have been paid, your nominee will receive death benefit which shall be higher of the following:

- Fund Value (inclusive of Yearly Additions, if any)
- Assured Benefit

Where,

Assured benefit is defined as 105% of Total premiums paid till the date of death

Total Premium means the total of all the Premiums received under the Policy.

Fund value is the number of units multiplied by the prevailing NAV.

The nominee or beneficiary can use the proceeds of death benefit, as per the below mentioned options:

- i. Withdraw the entire proceeds of the policy. **OR**
- ii. To utilize the entire proceeds of the policy or part thereof for purchasing an immediate annuity or deferred annuity at the then prevailing annuity rate

In case the proceeds of the policy is not sufficient to purchase minimum annuity as specified in clause 5 of Schedule I of IRDAI (Insurance Products) Regulations, 2024, such proceeds of the policy may be paid to the policyholder or beneficiary as lump sum.

Yearly Additions, if applicable will be added to the Fund Value up to the date of death of the Life Insured.

On the payment of death benefit, the policy will terminate immediately.

Note:

1. If the death occurs during Grace Period, the due unpaid premium (if any) till the date of death will not be deducted from the aforesaid Death Benefit.
2. For policies, where the Premium payment mode is not annual, the balance of the Premium for that Policy year will not be deducted from the Death Benefit.

For Death Benefit under Discontinuance and Reduced Paid-Up, kindly refer to the sections on 'Discontinuance of Policy' and 'Reduced Paid-Up' respectively.

Tax Benefit
